BIOGRAPHY

Ever since officially announcing her entry onto the Ghanaian music scene in July 2009, Eazzy has been treated like the next big thing and she has not failed to live up to the tag.

Born Mildred Ashong in August, 1986 and growing up in Accra with her only sibling support coming from her brother, the talented entertainer has always been a firm believer in taking it easy and breezing through hardships with panache, hence her stage name Eazzy.

The fascinating beauty has always had a penchant for hard work as is evidenced by her fastidiousness throughout her school years right from St Anthony's Junior High School, Mfantseman Senior High School and the Institute of Professional Studies in Ghana to the Chartered Institute of Marketing in England. It is this same hard working nature and her glaringly obvious talent that endeared her to Lynx Entertainment and after an in-and-out affiliation with the record label she finally put pen to paper in 2009 as the newest artiste of the Lynx Entertainment family.

Eazzy has rapidly grown as an artiste and she has mastered the art of performing whether in the recording booth, in front of the camera or on stage and her ability to rap, sing and dance has done her no harm in catapulting her to the forefront of the Ghanaian showbiz industry. She has also done well in her collaborations with artistes such as Richie, Tinny, Asem, OJ Blaq & Zigi but it is her songs that have been the major catalyst for scores of fans joining the Eazzy bandwagon. Her first single, Bo

Wonsem Ma Me was an instant club and radio hit but her newest song Wengeze has caused massive waves at all entertainment centres across the country and is currently one of the most requested songs on radio.

In her short stint on the music scene Eazzy has graced many high profile platforms and she has used her wonderful stagecraft and her blend of Hip-hop, R&B and Afro Pop to thrill fans across the country. She has excelled at events such as the 2009 Joy FM Nite with the Stars and Obour's Resurrection Concert as well as various clubs in Accra, Kumasi, Koforidua and Takoradi.

Eazzy is quickly becoming a household name and is likely to be around for quite some time since it is not often that one comes across an artiste who is able to mix playful banter and a party-like style with great lyrical dexterity and catchy punch lines as well as an ability to thrill an audience and leave male tongues wagging all at the same time. So as she saunters on through her career you can expect that this scintillatingly inspired and hard working diva will firmly embed her name in African Music History and have fans saying along with her 'Eazzy Baby.'
